Letter dated 20 May 2015 from the Chair of the Central African Republic configuration of the Peacebuilding Commission addressed to the President of the Security Council

In my capacity as Chair of the Central African Republic configuration of the Peacebuilding Commission, I visited Bangui from 2 to 5 May 2015. During this first visit, which coincided with the opening of the Bangui Forum, I held discussions with representatives of the civil society and the international community based in Bangui as well as with the transitional authorities, to seek their views on the priority aspects for the engagement of the Peacebuilding Commission in the Central African Republic, at a crucial junction of the political process. The report on the visit is attached, for your consideration.*

I would like to thank the transitional authorities of the Central African Republic for their warm welcome, Mr. Gaye, Special Representative of the Secretary-General, and his Office for all their assistance and continued support, as well as the Peacebuilding Support Office for its timely and substantive advice and support.

In the meantime, I remain at the disposal of the Security Council to provide further information and clarifications as may be required. The Commission's configuration is ready to accompany the Central African Republic and to inform the Council on peacebuilding-relevant developments, as appropriate.

I request that you kindly circulate this letter as a document of the Security Council.

(*Signed*) Omar **Hilale**
Chair, Central African Republic configuration of the
Peacebuilding Commission
